LABOUR CONGRESS

BEYOND TOMORROW

APRIL 28 29 30 2023

CIAL Convention Centre, Cochin Airport, Nedumbassery

Dear colleague,

Labour and delivery is an art, which we as professionals should consider ourselves fortunate to share. All the same, the 280 day journey of the fetus, is at times prone to a myriad of complications, some of them unforeseen, making this art sometimes worrisome. This congress will definitely help to dispel certain myths, strengthen correct practices and introduce you to current thinking, so you will be happy, safe yet correct in your own practices. Do join us for 3 days of learning unparalleled - delivered to you with a punch !. Besides learning, entertainment, local hospitality and camaraderie are also guaranteed

Let us make our women healthier, safer and empowered !!
