Dear colleagues,

“What we know is a drop, what we do not know is an ocean” Sir Isaac Newton. Learning, unlearning & relearning is a cycle of gaining & applying knowledge, discarding out-of-date information & gaining new information that builds upon & updates the previous knowledge.

It gives us immense pleasure to invite you all to the “GYNAEC CONGRESS “being organized by Kerala Federation of Obstetrics & Gynecology (KFOG )& Angamaly Obstetrics & Gynaecological Society (AOGS) on April 27<sup>th</sup>&28<sup>th</sup> 2024 at ADLUX CONVENTION CENTRE, ANGAMALY. The conference will showcase an array of eminent faculties from outside & across the state who will guide us through the intricacies of everyday gynaec practice & help to fine tune our skills through the live surgery workshop & exclusive video presentations. The Congress will be a platform to clear the myths & confusions & reach a conclusion & consensus on varied topics across the gynaec spectrum.

Through the 2 days of unparalleled learning we promise you not just knowledge but warm hospitality, camaraderie & entertainment that will truly be an enriching & fulfilling experience.

Welcome to the land of Adi Shankaracharya, where knowledge meets our rich culture!!
